

Tomb Raider Stories :: Katie's Stories

TOMB RAIDER STORIES by Katie

In 2000, the Tomb Raider based story "The Evil House" was released! From that story, the story evolved into a series which stands tall and proud till today, but how did it all begin! Read on, as we get inside information from Katie herself about how this award winning fiction evolved.

In the summer of 2000, Katie Flemming released her own story based on Lara's adventures. Ever

“ I can say that I never had anyone discourage me from writing, it was always the other way around!

” In the summer of 2000, Katie released her own story based on Lara's adventures. Ever since, it has

become a growing series of stories with a fan base of all ages from under 10 to over 60 which has been growing everyday. Today, her stories carry the proud Award of Core Design's Fan Fiction Competition. An award winning fan fiction, and hugely popular series, Katie's stories are surely a must for reading.

It all began when Katie was on a 20 hour long drive with her family, and she somehow wanted to take Lara with her. So she came up with the idea of writing a story! She wrote her first story entitled "The Evil House" which turned out to be a great success. A former PR Manager at Core Design, took notice of this aspiring talent and was very interested in her stories. According to Katie herself, he has read everyone one of them. But when Katie began writing her first story, she had no plans for future stories, but when it caught the attention of the Tomb Raider team, she was encouraged to continue, and which she did.

Tomb Raider Stories :: Katie's Stories

She eventually won the award for the best fan fiction in the Fan Fiction Competition of Core Design with "Sweat, Strength, and Determination" . Now, being an award winner, her stories dragged in

“ It didn't take too long to get my stories out there and my fan base has really grown. ”

more and more fame. At a later date, she was invited as an author in the first of Tales of Lara Croft, in which her story, “Search for Delphi”, was published in. Later on in December 2006, she was interviewed by Turner Broadcasting for a documentary based around Tomb Raider which was released with Anniversary.

And now little from Katie herself:

“I can say that I never had anyone discourage me from writing, it was always the other way around! It didn't take too long to get my stories out there

and my fan base has really grown. I have fans who are younger than 10

reading them to people in their 60's! That's one big thing I love about

Tomb Raider: there's such a huge fan base so it really covers all ages.”

You too can get yourself Katie's stories from her website: <http://tombraders.net/katie/MyTombRaiderStories.html> and get into the action! Here's a brief synopsis about her latest release, Perilous Paradise!

For thousands of years, myths and legends have captivated the minds of explorers and the curious, but to this day, no one has ever discovered the truth about the Hanging Gardens of Babylon. Lara is convinced they exist. After travelling to Iraq, the present-day location of the ancient city, Lara must scrutinize every inch of the desert landscape if she hopes to prove the Gardens' existence. What seems an innocent search turns into a wild chase for the truth. Will Lara's adventure lead to a perfect utopian world, or will the Gardens' beauty be a fictitious shield of a perilous paradise?
